## CVPRD/DACONO BMX

Beginner or advanced riders 3 years to 60 years and EVERYTHING in between! USA BMX racing is a sport of youthful achievement and the American Family sport. While the young boy or girl BMX racer develops skills at an individual pace, they are learning about winning, losing and trying again. The racer's family learns that the time spent together in support of the racer and the individual achievement is quality time well spent. BMX is a sport of bicycle motocross, or more widely known as BMX. This sport originated in America in the early 1970's. It was designed as a stepping stone for kids to get into motocross and quickly blew up into a popular sport of its own. Dacono BMX track is a nationally recognized sanctioned track by BMX USA.

## CLUB DACONO BMX

Sponsored by CVPRD, weekly scheduled practices will teach racers the fundamentals of bike safety and race essentials while learning to compete in monthly or weekly races. Weekly and monthly practice sessions are ongoing TBD by volunteer team coaches. Register at CVPRD Recreation Center.
